

My Personal Commitment

I accept membership in this Course of Study with the intention to study monthly and to complete the Course in 13 months. I have considered the financial commitment in this decision and feel I am in a financial situation that will allow me to take this Course without interruption. I understand that a period of commitment between student and teacher is traditional in the study of Witchcraft, and I intend to honor this tradition.

In consideration of the teachings of the Old Ways, we value your word which speaks to the character and integrity of the individual giving it. Although we do understand that circumstances and events arise in everyone's lives, please communicate with us to keep us informed of any changes that would shift your life focus or incur a financial burden.

All we ask is you honor your agreement and if you cannot please communicate and explain why.
