House of Grimassi Pathways to Knowledge Inner Mysteries

Dear Seeker,

Thank you for your interest in the Inner Mysteries Course of Study. As per your request we are pleased to send you this informational material. We hope you will find that the Inner Mysteries call to you, and that we will have the pleasure of you joining us on this Path....

The Inner Mysteries: Understanding the Mystical Foundation of pre-Christian European concepts

You've no doubt heard the term "Inner Mysteries" but have thought about what it really means? The Inner Mysteries reveal the greater depth and the rootedness of what empowers the practitioner of Witchcraft, Wicca, and those Pagans systems connected to the Wheel of the Year. In this Course of Study you will discover many things you may have never before encountered. What this Course offers is the keys to unlocking and understanding the Inner Mysteries that lead to individual enlightenment and a successful spiritual evolution. It incorporates ancestral knowledge and wisdom and applies it to modern times. In this way it is ever ancient and ever new. The seven lessons will include the following topics:

- The Cauldron Mysteries
- Women's Mysteries
- Men's Mysteries
- The Mystery of the Soul in time and space
- Transformation Mysteries
- Fermentation Mysteries
- Agricultural Mysteries
- Blood Mysteries
- Dark Mysteries
- Mysteries of the Four Elements

What the Inner Mysteries offer is not the dead and mummified remains of some outdated previous system. Instead they present a living, active and authentic spiritual survival from an earlier natural time when humans lived in “common cause” with the world around them. It was a time when humans realized their place in the world, and drew purpose from that realization. We all can once again. Come and join us, and get to the roots of the matter!

With all good wishes and blessings-

INSTRUCTOR BIOS

Raven Grimassi and Stephanie Taylor-Grimassi are a teaching team in the ways of Old World Witchcraft.

Raven Grimassi is a practicing Witch, teacher, scholar and an award-winning author of over 20 books on Witchcraft, Wicca, Magic, and Inner Mysteries Traditions. He brings to the table over 40 years of personal experience, study, and an in-depth understanding of these fields. Raven is a popular lecturer and workshop presenter all across the United States. It is his life's work to preserve the roots of pre-Christian European spirituality and mystical themes. His published books include such classic works as *The Witches' Craft*, *Witchcraft: A Mystery Tradition*, *Old World Witchcraft*, *The Grimoire of the Thorn-Blooded Witch*, *The Cauldron of Memory*, and *Communing with the Ancestors*.

Raised by an Italian native mother, Raven's early years were filled with the lore of Old Italy. In the summer of 1969 he discovered Wicca and spent many years involved with various groups and traditions. These included Celtic Traditionalist Wicca, Brittish Wicca, and the Pictish-Gaelic Tradition. Raven also studied under Lady Sara Cunningham in the 1970s. In the 1980s he created the Arician Tradition, which had roots in Italian Witchcraft. He later left the Italian Path in 2004. He is now the co-director of the Ash, Birch and Willow Tradition, a non-cultural system of Old World Witchery, a system rooted in the commonality of old European Traditions without a focus on any singular culture.

Stephanie has been a practitioner of Wicca & Witchcraft for over 20 years. She is a 3rd degree initiate of a Celtic Traditionalist system of Wicca, and a 3rd degree initiate of Italian Witchcraft (the Arician Tradition). She is a legally ordained clergy of Witchcraft. Stephanie has studied, taught, and used the magical arts as tools of transformation throughout her lifetime. She is also a Tarot reader, astrologer, and a teacher of Old World Witchcraft.

They are co-creators and co-authors of the two Oracles decks, *The Well Worn Path*(2005), and *The Hidden Path*(2007; both now out of print.).

In 2006, Raven and Stephanie formed the Ash, Birch and Willow tradition of Witchcraft, and together they co-direct and co-teach the ABW Tradition through the House of Grimassi (a Mystery School devoted to preserving pre-Christian European traditions). Through this school they offer home study courses on older forms of Witchcraft with students around the globe.

Raven and Stephanie currently live in New England and divide their time, respectively, between operating RavensLoft.biz cyber store, teaching workshops, co-directing the Mystery School known as the House of Grimassi, and of course, writing!
